

A3GMunitions.com/River Bend Gun Club hosted our third LONG GONG match on the High Power range on September 21st.

Our group started in July with 5 shooters, grew to 8 in August and we had 13 shooters come out to join the match director to try this relatively new sport. About two thirds of the competitors were returning participants from prior months and we had one competitor come down from Tennessee to join in the fun.

And YES! We are lefty friendly!!!

For those who are not sure what LONG GONG is all about here is a link to a description and the rules: <https://a3gmunitions.com/long-gong-hosted-by-a3gmunitions-com/>.

We had a warm day with winds that went from nothing to gusts of 15MPH. The individual relay scores showed the difficulty that the wind created with most shooters having at least one bad relay.

With only 4 shooters posting double digit points in individual relays it was a tough day. BUT...In relay 4 Michael Berger found the magic wind call posting an impressive 18 points with Simon Bailey answering with a very strong 17 points in relay 5. Both Michael and Simon posted two relays with double digit scores.

Here are the September results!

Congratulations to Micheal Berger with his match score of 52 followed by Simon Bailey with a 50. While the lead changed after just about every relay, Michael and Simon battled out the last two relays for the win but Michael scored 2 points on the 6" plate with his last shot on the last relay for the outright win.
